I request a bridge for the period between the following terms: (Please provide complete date)

Spring/Fall Classes will begin for Fall semester on _____

CHECK ONE: Full-time student At least half-time student

I understand that if the Lender does not receive my school-certified deferment within 30 days from when classes begin, my loan(s) will enter repayment. I also understand that if my loan(s) re-enter(s) payment, any unpaid interest accrued since the expiration of my last deferment will be capitalized (added to the unpaid balance of my loan(s)).

FORBEARANCE AGREEMENT

If my loan(s) is/are past due for any payment at the beginning of the deferment period, I request that my account be brought current by adding any outstanding accrued interest to the principal balance of my loan(s). In addition, if my loan(s) is/are not eligible for Federal interest benefits during the deferment period, I agree that any unpaid interest which accrues during my deferment be added to my principal balance. I also understand that I have the option, by checking the box below, of making interest payments during my deferment.

If I check this box, upon approval by the Lender, I will make interest payments during this deferment and/or forbearance period. I do not want unpaid interest added to my principal balance. If I check this box and fail to make the necessary interest payments I agree, at the Lender's option, to the accrued interest payment being added to my principal balance.
